MEMORANDUM FOR: Committee on Overhead Reconnaissance

SUBJECT: Additions to Cuban Master Target List

REFERENCE: TCS-11330-62

1. Attached are targets to be added to the Cuban Master Target List. Most of these targets were on the MTL as Geographic Areas of Interest but since they have been enlarged it is necessary to assign new target numbers and coordinates.
2. The attachment should be added to the reference document. When this covering memorandum is removed the attachment may be removed from the TALENT System.
